President's Remarks

by Mike Covell

As we begin a new year of activities in the Western North Carolina Chapter of the Military Officers Association of America, I look forward to serving you and working with the newly elected Board of Directors. There are numerous opportunities for your involvement in this organization you have chosen to join. First, since you are all officers in our country's armed services, serving or retired, you were selected because of your leadership skills. And, even though you are no longer on active duty, those skills that you developed over your time leading men and women

remain with you. I am counting on you to step forward, as you are able, to demonstrate to citizens of the communities in Western North Carolina the examples of leadership you developed over the years.

We can show that our service is not only in the military but is your continuing service to your community. Many of us are able and willing to serve not only other military related organizations, but organizations that can benefit from what and how we can get things done. Examples are members and leaders of Rotary, Kiwanis, Lions, VFW, Boy and Girls Club, community elected offices, churches, athletic clubs, and environmental service clubs, and hospital support. The list goes on. Well done.

The areas that many of you support on a routine basis are the VA hospital, Veterans Restoration Quarters, Steadfast House, JROTC units, and Four Seasons Hospice. In these areas you humbly display the WNC-MOAA logo. My question to you is are there other areas not served by us or other service clubs in Western North Carolina? Could we make a difference and gain visibility?

There are two new support functions that I propose to initiate during my term in office. One is to provide support for the Blue Ridge Honor Flight organization. I have asked MajGen Rick Devereaux to take the lead on this project. The other is to provide support for schools initiating the Medal of Honor Character Development Program. More about this to follow.

Our next membership meeting will be at the Hendersonville Country Club on Saturday February 10 with doors opening at 11 AM. Our guest speaker will be Beth Carden, Executive Director of the Henderson County Visitor Center. As the weather gets warmer I'm sure that many of you will want to visit some of places she talks about.

See you soon, Mike
