

**WESTERN NORTH CAROLINA CHAPTER
MILITARY OFFICERS ASSOCIATION OF AMERICA, INC.
FALL 2015/November**

PRESIDENT'S MESSAGE

Welcome to Fall in the mountains. For many--if not most of us--this is our favorite time of year. Days are cooler (and shorter!). Air conditioners become silent until next summer. Leaves take on spectacular colors. And, let's not forget football!

This upcoming general meeting of our chapter on 21 November marks my last as your president. We will be swearing in the newly elected slate of officers who will "steer the ship" for the next two years under the leadership of President Spence Campbell. As I reflect upon my last two years as your president I am humbled and grateful for the tremendous support you all have given me. I am also very proud of what WE as a chapter have been able to achieve. Some of the highlights that come to mind would include... Establishing our new Smokey Mountain Satellite Chapter; working with Four Seasons Hospice to support our veterans with "Pinning Ceremonies"; having two of our area JROTC instructors named the first of this state's "Instructor of the Year" (one officer and one NCO); beginning and sustaining our monthly support of the VRQ kitchen in Asheville; supporting the VA Hospital's CRC with ice cream socials; and co-hosting the bi-annual state convention in Cashiers this past June. I could go on with other activities; but I think you get my point. And, of course becoming a MOAA 5-Star chapter for 2014 only validates that we've been doing the "Right Stuff". All of these activities and accomplishments are the result of a TEAM effort. I've been blessed with an exceptional board of directors and officers. And we couldn't have done any of this without the support of the many volunteers who have stepped up and asked, "What can I do?" In closing, there is one thing that I would ask of ALL chapter members. If you like what we're doing... If you like the comradery of being with others at our general meetings... If you think what we're about is worthwhile and good for our fellow vets... Tell someone! Reach out to other active or former officers and invite them to become a part of what we're all about. If this is worthwhile for you; it should be worthwhile for them. If we are to continue to be a strong presence we need new blood.

Finally, our very special guest at the 21 November meeting will be Congressman Mark Meadows of the 11th district. He was with us 2 years ago; and we welcome him back to provide an update on what's happening in Washington and in Western NC. He will speak briefly and then take questions. Mark knows that we aren't a shy bunch...so he will be prepared!

See you on the 21st. Until then, please enjoy the fall. And thanks for allowing me to be your president for these past two years. Best Regards; John

Nov 21 Meeting

Our program will be Congressman Mark Meadows of the 11th district. We appreciate him taking the time to visit with us and update what is going on in Washington and listening to our input.

After working as a small business owner for 27 years, Representative Mark Meadows brings a business-style approach to Washington, D.C. During his time in Congress, he has championed pro-growth jobs policies, a sensible approach to reducing the national deficit, and a robust national defense.

Mr. Meadows serves on the House Foreign Affairs Committee, the House Transportation and Infrastructure Committee, and the House Oversight and Government Reform Committee where he Chairs the Subcommittee on Government Operations. Additionally, Mr. Meadows served as a congressional delegate to the 68th session of the United Nations General Assembly and as a commissioner on the Congressional-Executive Commission on China.

He is dedicated to providing top-notch constituent services to North Carolina's 11th Congressional District and is committed to upholding his Christian values and conservative principles while serving in Congress.

Mark lives in Jackson County with his wife Debbie. They have two adult children, Blake and Haley.
